Safe Sitter is a medically accurate program that teaches young adolescents how to handle emergencies when caring for children.

This class teaches safe and nurturing child care techniques, behavior management skills, and appropriate responses to medical emergencies.

All students must be 11-13 Years old at the time of class.

Completed registration forms and student contracts must be completed and mailed in after you register prior to attending the class. Registration packets may be obtained by calling the contact center or by visiting our website.

For more information on our classes or if you have any questions, contact us by dialing 1.866.CALL.MLH (225.5654) or visit us on the web at mainlinehealth.org/riddle.

Classes fill on a first come, first serve basis so reserve your spot early!

Safe Sitter Babysitting Classes

- Would you know how to rescue a choking child?
- What if the child got a nosebleed?
- Do you know how to screen babysitting jobs to decide when to accept or refuse?
- Would you know what to say if you had to call 911?
- Safe Sitters learn these things...and more!
- Taking a Safe Sitter class will help prepare you to be a more responsible babysitter.

We're glad that you're interested in Safe Sitter.

2014 Class Schedule

- April 17 & 18
- June 23 & 24
- July 7 & 8
- July 21 & 22
