The assignments are varied and they have the opportunity to experience many types of services according to capabilities, performance, dependability and interests.

How do I become a junior volunteer?

At the age of 14 you may apply by contacting the Volunteer Department. Upon completion of an application, satisfactory references and recommendations, you should call to set up and appointment for an interview with the Director of Volunteers. PLEASE NOTE: The candidate must be accompanied by a parent or guardian at the initial interview. In the event of a waiting list, you will be accepted in the order in which you apply. All volunteers must attend a volunteer orientation.

What duties will I perform?

As a junior volunteer, you may serve in a variety of hospital departments. Examples include: Admission, X-Ray, Messenger, Escort, Transport Team and Physical Therapy. Older junior volunteers may apply for training in the Emergency Department or the Nursing Units.

No blue jeans, caps or short and please keep the shirt tucked in. Wear comfortable, closed to shoes or sneakers. The hospital will provide you with an ID badge. The ID badge must be visible at all times!

When do I volunteer?

In the summer months and during school vacations, junior volunteers may volunteer from 9:00 am to 5:00 pm daily.
