

What is health care if it's not human?

MAIN LINE HEALTHCARE OVERVIEW

Main Line HealthCare, the employed multispecialty physician and advanced practice provider network of Main Line Health, includes more than 1,000 community and hospital-based healthcare professionals spanning over 40 clinical specialties and subspecialties. This growing community of dedicated healthcare professionals is committed to delivering high-quality, personalized care to every patient. Main Line HealthCare continues to expand its reach through new specialty practices and services designed to meet the evolving healthcare needs of the community.

RECENT AWARDS AND RECOGNITIONS

- Clinical Care Innovation Grant from Independence Blue Cross
- QIPS (Quality Incentive Payment System) Quality Cup Award for Commercial Patients from Independence Blue Cross (four consecutive years)

INVESTING IN OUR FUTURE

Each new Main Line HealthCare location and clinical program represents an investment in expanding access to care, allowing us to serve more patients and reach more neighborhoods.

We are committed to a growth mindset that prioritizes the evolving needs of our region. By strategically expanding our footprint, the specialties we offer, and the reach of our highly skilled physicians and advanced practice providers, we strengthen the continuum of care and ensure that patients have access to coordinated,

comprehensive services close to home. This approach reflects our mission to improve health outcomes, enhance patient experiences, and build a healthier future for the communities we serve.

PHILANTHROPY

Each year, Main Line Health receives thousands of charitable donations from the community. These gifts are both large and small. Many people give to the Annual Fund or make gifts to special projects such as capital campaigns for new facilities and technology. Others choose to make planned gifts such as a bequest in their will or a life-income gift to establish an endowment in an area of their interest. These gifts help to ensure that Main Line Health continues to provide the highest quality and most compassionate healthcare possible. Anyone interested in learning more about our philanthropic priorities and how you can make a difference with a charitable gift should contact Development at 484.580.4601.
