Investing in our future

PHILANTHROPY

Each year, as a not-for-profit acute care hospital, Paoli Hospital receives thousands of charitable donations, both large and small, from the community. Many grateful patients give annually in honor of their caregivers to support patient care programs, new facilities and technology. Leadership donors are welcomed as members of The H. Phelps Potter Society and are closely connected to the hospital through special events and recognition. Legacy gifts from donors who have included the hospital in their estate plans impact the hospital for generations, and it can cost nothing during a person's lifetime. Every gift is gratefully received and will help to ensure that Paoli Hospital continues to provide the highest quality and most compassionate human care possible.
