INVESTING IN OUR FUTURE

- Riddle's Master Facility Plan aims to revitalize the hospital's infrastructure to match the high-quality, patient-centered care and superior experience delivered to patients each day.
- A new Patient Pavilion, slated for completion in 2024, includes a new operating suite, acuity-adaptable medical/surgical units, maternity/labor & delivery rooms, level 2 NICU, and a new welcoming lobby.
- Recent renovation of The Birthplace upgraded and modernized private patient rooms and common areas, and re-designing the core of the unit to improve workflow to better serve mothers and babies.

PHILANTHROPY

Each year, Riddle Hospital receives thousands of charitable donations, both large and small, from the community. Many people give to the Annual Fund, or make special gifts to projects such as capital campaigns for new facilities and technology, or choose to make planned gifts, such as bequests in their will or a life-income gift to establish an endowment in an area of their interest. These gifts help to ensure that Riddle Hospital continues to provide the highest quality and most compassionate, human care possible.
