Please review it carefully.

This Notice describes the privacy practices of Main Line Health (MLH) which includes Bryn Mawr, Paoli, Riddle and Bryn Mawr Rehabilitation hospitals, Lankenau Medical Center, Mirmont Treatment Center, Main Line Health Behavioral Health Services, Main Line HealthCare, Main Line Affiliates, and Main Line Health HomeCare & Hospice.

While treating you, our employees, volunteers, students and health care professionals affiliated with MLH follow this Notice. In addition, any person involved in your care, entities, sites and locations may share medical information about you with each other for treatment, payment or health care operations as described in this notice.

We are required by law to maintain the privacy of your health information and to provide you with this Notice.

II. Our Duties to Safeguard your Protected Health Information.
Protected Health Information ("PHI") is any information related to your health care that is shared or maintained in any manner. It includes your insurance information as well. This Notice applies to all PHI generated by Main Line Health or any of its entities. Non-Main Line HealthCare physicians may have different policies or notices regarding the doctor’s use and disclosure of your medical information created in the doctor’s office.

This Notice will tell you about the ways in which we may use and disclose your PHI. We also describe your rights and certain obligations we have regarding the use and disclosure of your PHI.

We are required by law to:
- make sure that your PHI is kept private;
- give you this Notice of our legal duties and privacy practices related to your PHI; and,
- follow the terms of the Notice that is currently in effect.

III. How Main Line Health May Use and Disclose Medical Information About You – Treatment, Payment and Health Care Operations.
Except in an emergency or other special situations, we will ask you to sign a general consent, as required by Pennsylvania law, so that we may use and disclose your PHI for the following purposes:

We may also disclose your PHI to other providers, doctors, nurses, technicians, medical students, hospital personnel or other health care facilities involved in your treatment. We may need to communicate this PHI to other health care providers using phone, fax, two-way radio or electronic transfer.
