- **Questions, scheduling changes, or cancellations:** Call the physician office who will be performing the procedure.
- **Parking/entrance:** The caregiver may drop the patient off at the main entrance. Park in the East Garage and follow the walkway to the main entrance of the Pavilion.
- **Pre-procedure call:** Patients receive a call within a week of the procedure to review details and brief medication questions.
- **Check-in:** Enter through the large glass sliding doors, proceed to the information desk straight ahead, then take the North elevators to the 2nd floor and report to the surgical registration desk.
- **Arrival timing:** Patients will be called by 4 p.m. the day before the procedure with their arrival time, which is generally 1 hour before the procedure. Patients should check in 15 minutes before their scheduled arrival time.
- **Visitor/driver guidance:** Drivers are encouraged to remain in the waiting room or stay within a reasonable distance because recovery times are typically brief.
