Medical Records

Personal Health Record can be requested by clicking on the Request PHR on the right side

Request PHR

3. You will be taken to a page showing a history of visits, medications, conditions, results and more.

From here you will have the ability to:

- **Download PHR (CCD)** - download a “continuity of care document” that can be imported into other health portals
- **Download PHR (Readable)** - download a copy of your records as an HTML file
- **Print** - print your records to paper, or save them as a PDF

These export options are available along the top of the page.

The screenshot displays the Main Line HealthCare Physician Network interface. On the left is a navigation sidebar with options like Dashboard, Medical records, and My Account. The main content area shows patient details for a patient with MRN 38295. At the top of the main content area, there are three links: 'Download PHR(CCD)', 'Download PHR(Readable)', and 'Print', which are highlighted by a green rectangular box. A mouse cursor is pointing at the 'Print' link. Below the patient information, there is a 'Table Of Content' section with links to PROBLEMS, ALLERGIES, SOCIAL HISTORY, and PLAN OF CARE.
