

## Preferred Hospice Organization Network

The Delaware Valley ACO is very pleased to announce our Inaugural Preferred Hospice Network. Our Preferred Organizations were selected to help our patients and families, our physicians, our hospitals and other healthcare collaborators identify Hospice Organizations that achieve high standards for quality, caregiver satisfaction and demonstrate strong partnership and collaboration with partner organizations. Our preferred Hospice Organizations were identified based on criteria developed by our team of post-acute care experts and will be reviewed and updated regularly to assure continued high quality of our partners in the DVACO Preferred Hospice Network.

Please refer to our website on a regular basis for updates to our [Preferred Hospice Organization Network](https://dvaco.org/preferred-partners/) (<https://dvaco.org/preferred-partners/>) **Current list last updated 1/1/2020**
