

MLH Institutional Review Board Fees
[Effective 01/01/2015](#)

The following fee schedule has been revised for MLH IRB study review. Initial and continuing review fees for Industry Sponsored Studies remain the same as instituted in January 2011. Please note there are new fees associated with amendments for industry-initiated amendments, multicenter clinical trials with Central IRB review and optional MLH IRB Review by independent physicians. These fees should be negotiated in all Clinical Trial Agreements/Contracts.

Type of Review	MLH IRB Fees
Initial Fee for New <i>Industry Sponsored Studies</i>	\$2400 (Full /Expedited IRB Review)
Continuing Review Fee for <i>Industry Sponsored Studies</i>	\$850 (Full /Expedited IRB Review)
Industry-Initiated Amendments for <i>Industry Sponsored Studies</i>	\$500 (Full /Expedited IRB Review)
<i>Industry Sponsored</i> Multicenter Clinical Trials with Central IRB Review	\$850 per study
MLH IRB Review at Investigator's Option by Independent Physicians with Staff Appointment* (<i>On/Off-MLH Affiliate Campus</i>)	New Study \$1400 (Full IRB Review) New Study \$450 (Expedited IRB Review) Continuing Review \$850 (Full IRB Review) Continuing Review \$250 (Expedited IRB Review) Amendment \$250 (Full IRB Review) Amendment \$100 (Expedited IRB Review)

* This group is further defined in Category B of the MLH Administrative Policy 1.50: [IRB Jurisdiction over Research Involving Human Subjects Research](#)

Please remember it is the responsibility of each investigator to budget for, obtain or provide the IRB fees. The investigator will be sent an invoice that is due upon receipt. **The remittance copy and payment should be sent to:**

Lankenau Institute for Medical Research
 Attn: Jenn Wynne
 100 Lancaster Avenue
 Wynnewood, PA 19096
