EXHIBIT A – DEFINITIONS

- a.) *Institutional Responsibilities* means an Investigator's professional responsibilities on behalf of the Institution, including but not limited to research, research consultation, teaching, professional practice, institutional committee memberships and service on panels such as Institutional Review Boards or Data Safety Monitoring Boards.
- b.) *Investigator* means a) any person, regardless of title or position, who is responsible for the design, conduct, or reporting of research funded by PHS, or proposed for such funding, and includes collaborations, consultations, subrecipients, sub-contracts, sub-awardees, and cooperative agreements; b) any person employed by LIMR or a LIMR wholly owned subsidiary, regardless of title or position, who is responsible for the design, conduct, or reporting of research funded by sources other than PHS.
- c.) *Significant Financial Interest (SFI)** means:
- a. *A financial interest* consisting of one or more of the following interests of the *Investigator* (and those of the *Investigator's* spouse and dependent children) that reasonably appears to be related to the *Investigator's Institutional Responsibilities*:
 - i. With regard to any publicly traded entity, a Significant Financial Interest exists if the value of any remuneration received from the entity in the twelve months preceding the disclosure and the value of any equity interest in the entity as of the date of disclosure, when aggregated, exceeds \$5,000. For purposes of this definition, remuneration includes salary and any payment for services not otherwise identified as salary (e.g. consulting fees, honoraria, paid authorship); equity interest includes any stock, stock option, or other ownership interest as determined through reference to public process or other reasonable measures of fair market value.
 - ii. With regard to any non-publicly traded entity, a Significant Financial Interest exists if the value of any remuneration received from the entity in the twelve months preceding the disclosure, when aggregated, exceeds \$5,000, or when the *Investigator* (or the *Investigator's* spouse and dependent children) holds any equity interest (e.g., stock, stock option, or other ownership interest) or;
 - iii. Intellectual property rights and interests (e.g. patents, copyrights), upon receipt of income related to such rights and interests.
 - b. *Investigator's* also must disclose the occurrence of any reimbursed or sponsored travel (i.e. that which is paid on behalf of the Investigator so that the exact monetary value may not be readily available), related to their *Institutional Responsibilities*; provided, however, that this disclosure requirement does not apply to travel that is reimbursed or sponsored by a Federal, State or local government agency, an Institution of higher education as defined at 20 U.S.C. 1001(a), an academic teaching hospital, a medical center, or a research institute that is affiliated with an Institution of higher education.

* The term *Significant Financial Interest* does not include the following types of financial interest: salary, royalties, or other remuneration paid by the *Institution* to the *Investigator* if the *Investigator* is currently employed or otherwise appointed by the *Institution*, including intellectual property rights assigned to the *Institution* and agreements to share in royalties related to such rights; any ownership interest in the *Institution* held by the *Investigator*, if the *Institution* is a commercial or for-profit organization; income from investment vehicles, such as mutual funds and retirement accounts as long as the *Investigator* does not directly control the investment decisions made by the vehicles; income from seminars, lectures, or teaching engagements sponsored by Federal state or local government agency, an Institution of higher education as defined in 20 U.S.C. 1001(a), an academic teaching hospital, a medical center, or a research institute that is affiliated with an Institution of higher education; or income from service on advisory committees or review panels for a Federal, state or local government agency, an Institution of higher education as defined in 20 U.S.C. 1001(a), an academic teaching hospital, a medical center, or a research institute that is affiliated with an Institution of higher education.
