

# Submitting to the Main Line Hospitals Institutional Review Board (MLH IRB)

## Getting Started—Account Set-up and Log-in

- ✓ Visit the MLH IRB online submission Log In page by clicking on the link below, or accessible from the Office of Research Protections homepage ([mainlinehealth.org/ora](http://mainlinehealth.org/ora))

<https://imedris.mlhs.org>

- ✓ **Main Line Health employees** log in using MLH network username and password.

A screenshot of the iMedRis login page. The page has a dark background with a white login form. The form includes a "Please enter your credentials" heading, a "Main Line Health" logo, "Username:" and "Password:" labels, two input fields, and a blue "Click here to log on" button. Below the button is a "Forgot your password? Please click the link below. Password Reset" link. At the bottom, there is a red "IMPORTANT DOWNTIME NOTICE" section with blue text stating: "A Multi-Factor Authentication (MFA) upgrade is scheduled for Saturday, January 18, 2020 (2am-6am). Remote access will be unavailable during the upgrade window. After the upgrade, All Users MUST re-register their mobile phone number on their next attempt at remote access. Detailed instructions on how to register will be provided just prior to the upgrade." A red arrow points from the text above to the login form.

- ✓ **All external access to iMedRis** will require MultiFactor authentication. This will send a passcode to your cell phone. If you have not used multifactor authentication before, you will need to register your phone.
  - Please go to link below for instruction in setting up your Multi-Factor Authentication registration.
