Dear Junior Volunteer Candidate,

We are pleased that you are interested in participating in the volunteer program and Lankenau Medical Center.

Please read the enclosed material carefully and feel free to call our office if you have any questions. We invite into our program, applicants that are enthusiastic, ambitious and prepared to make a commitment to the recovery and well being of our patients. Participants must be willing to serve at least 40 hours over a six-month period. Requests for letters of recommendation will be honored for those who have completed 40 hours of service.

After reading about the junior volunteers at Lankenau, you will have a better understanding of why our junior volunteers are a vital energy to the health care team, If you wish to apply:

- Complete and return the enclosed application to the volunteer office.
  Someone will then contact you to schedule an interview.
  (Please come to the interview with a parent or guardian.)
- 2. Ask your physician for a copy of your immunization record.
- 3. Give the attached reference form to your school counselor or teacher.
- 4. Give the second, attached reference form to an adult who is not related to you.
- 5. Have your parent/guardian read about the volunteer program and sign the consent form.

Please note: All new volunteers <u>must attend</u> a volunteer orientation before starting. Please call the volunteer office to secure orientation dates offered prior to your anticipated start date.

I am looking forward to meeting with you. I know you will find volunteering at Lankenau Medical Center a rewarding and fun experience.

Sincerely,

Laurie Watson

Director of Volunteer Services

Laurie Watson

Well ahead.®
