A VIRTUAL EDUCATIONAL AND INTERACTIVE HEALTH CARE
SERIES **FOR OUR LOYAL SUPPORTERS**

Please join Jack Lynch, FACHE, president and CEO of Main Line Health and Donna Phillips, president of Bryn Mawr Rehab Hospital and senior executive of ambulatory and professional services, for a virtual experience exploring

Main Line Health King of Prussia

A late afternoon tour featuring a cooking class with Guest Chef, Adam DeLosso, 12th Street Catering and showcasing the unique services offered in this state-of-the-art facility:

☞ Clinical expertise in areas including:

- primary care
- cardiology
- breast health
- gynecology
- obstetrics
- integrative and functional medicine
- emotional wellness
- headache medicine
- weight management

☞ Imaging and laboratory services

☞ Physical medicine and rehabilitation

☞ A café, demonstration kitchen and rooftop farm

Lankenau Medical Center | Bryn Mawr Hospital | Paoli Hospital | Riddle Hospital | Bryn Mawr Rehab Hospital
Mirmont Treatment Center | HomeCare & Hospice | Lankenau Institute for Medical Research

At Main Line Health King of Prussia, you'll find expert physicians and a vast offering of specialties right in your community. One highlight is our Women's Specialty Center, in collaboration with Axia Women's Health, which offers a convenient, peaceful care environment created to meet the distinct preventive, diagnostic and treatment needs of women—addressing physical, emotional and wellness needs in a coordinated manner within a warm, healing environment.
