

# Bryn Mawr Rehab Hospital

## Visitation Guidelines

---

**Effective Monday, March 22, 2021**

---

*Bryn Mawr Rehab Hospital recognizes that our patients benefit tremendously from connecting with their loved ones as they progress through the rehabilitation process. We are pleased to be able to offer limited, in-person visits. Window visits will be discontinued after March 21<sup>st</sup>.*

**Days:** Sunday – Thursday  
**Hours:** 4:00 – 8:00 p.m. for up to 2 hours; 4:00 – 6:00 p.m. or 6:00 – 8:00 p.m.  
**Details:** One visitor per day for each patient. Two visits per week for each patient.  
A maximum of five visitors on each unit at one time will be permitted.

**To Schedule: The visits must be scheduled in advance.**

- Call 484.596.5820, Monday-Friday, 9:00 a.m. -1:00 p.m.
- The scheduler will let you know availability and provide instructions for your visit.
- Leave a message to receive a call back.

*Visitors will be required to pass the screening at the main entrance prior to entry.  
Visitors are not permitted for COVID+ or COVID quarantine patients.*

**Visitation Guidelines:**

- Visitors and patients are to wear tight fitting masks for the duration of the visit. Compliance with masking is required throughout the visit.
- Visitors and patients should maintain appropriate social distancing as much as possible.
- Visitors and patients may leave the patient room during the visit. Both must be masked and maintain social distance from other patients, visitors and staff.
- Visitors may not remove their masks to eat or drink during the visit.
- No visitors age 11 or younger. Visitors age 12-17 require pre-approval to accompany parent for visit.
- Visitors may not use the restrooms in the patient room.
- Visits must start and end at the scheduled times.
- All items brought for patients must be given to the nurse, not directly to the patient.
