**Accreditation Statements:** Main Line Health is approved as a provider of nursing continuing professional development by the Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Main Line Health is approved as a provider of emergency medical service continuing education by the Pennsylvania Department of Health.

**Conflict of Interest Statement:** Faculty and all others who have the ability to control the content of continuing medical education activities sponsored by Main Line Health are expected to disclose to the audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s). There is no commercial support for this program.

The on-line presentation is necessitated due to the COVID-19 pandemic and the need for social distancing. This on-line presentation ensures our ability to continue to help healthcare providers and others remain prepared to address patient and community needs, even during the COVID-19 pandemic, by ensuring the continuing education of our physicians and other front-line providers.
